

# Faraway Voice

**Katie Melua**

Faraway voice  
We can hear you, voice  
What's it like to be heard?  
But from you not a word Are you over those hills?  
Do you still hum the old melodies?  
Do you wish people listened  
Over here with me? Faraway voice  
What I would give, give to hear that voice  
What's it like to breathe?  
My ears deceive me, voice And I will walk with you  
On a summer's day  
And I will talk to you  
Though you're faraway  
And we'll sing through the years
