

# The Man in the Iron Mask

**Billy Bragg**

When he drops you off, I will not say  
"Who was that who so quickly drove away?"  
The things you've done and the places you've been  
When I open the door for you, I will not let them in  
As long as you come back to me, I will never ask  
For you I will be the man in the iron mask  
You said you love me and it broke my heart  
I was always your prisoner right from the start  
The nights you spend without me, this house is like a dungeon  
And you only return to torture me more  
You must have your reasons, I will not ask  
For you I will be the man in the iron mask
