

# Honeymoon

## Tomahawk

Eyes like piss holes in snow  
Heavy breathin' on the phone  
Salty clumps of seaweed hair  
Blow a kiss and I'm thereHoneymoon  
Honeymoon  
HoneymoonFiances' well padded room  
Syrup drips, silky smooth  
Holidays in twin beds  
These halcyon days will never endHoneymoon  
Honeymoon  
HoneymoonLilies sway indoors, cool  
Compass points away from you  
Decide, decideHoneymoon  
Honeymoon  
Honeymoon
