# Stranger Things

## ABC

I could walk away from you
If that's what you wanted
But when you look for something new
You can be so disappointedIt's funny how it used to be
Me for you and you for me
I wish I knew why people change
SuddenlyWill we ever be the same again
Stranger things have happened
Will we ever feel this way again
Whatever will be, will be eternallyWe were learning to be human
But it doesn't take a degree
To know that what you're looking for
Is not always what you seeIt's funny how it used to be
Me for you and you for me
I guess I'd knew why people change
SuddenlyWill we ever be the same again
Stranger things have happened
Will we ever feel this way again
Whatever will be, will be eternallyWill we ever be the same again
Stranger things have happened
Will we ever feel this way again
Whatever will be, will be eternallySha la, sha la la
Sha la, sha la la
Sha la, sha la la
Sha la, sha la la
