Born Stubborn

[Sepultura](#)

Stubborn from the start
Obey no one no matter what?
Our life it's our right
Why don't you go awayWe live without orders
We live without rules
Tear down the walls
That try to hold us inMy tribe is my own right
And I don't have to tell you why?
It's been like that from the start
You can't break apartSepultura in our hearts
Can't take it away
These roots will always remainBorn in pain
Born stubbornStubborn from the start
Obey no one no matter what ?
Our life it's our right
Why don't you go away?We live without orders
We live without rules
Tear down the wall
That try to hold inBorn in pain
Born stubborn
BornMy tribe is my own right
And I don't have to tell you why?
It's been like that from the start
You can't break apartSepultura in our hearts
Can't take it away
These roots will always remainBorn stubborn
Born in pain
Born in painSuffering life make us rise
