I Choose You

Matty Mullins

Haunted by a past
That I can not escape
Got a long list of broken
I wish I could erase
Don't know why live defeated
When You say that I am changed
And I'm more than my mistakesSo today I choose forgiven
Today I choose redeemed
Today I choose to listen
To what You say about me
This time I won't give in
To the lies I once believed
I'm falling into the outstretched arms of truth
Today I choose You
Today I choose You
Even on the bad days
When You feel out of reach
Even when the heartbreak is all I see
Your word remains the same
And it says that I am enough
I'm defined by what You did not what I've doneSo today I choose forgiven
Today I choose redeemed
Today I choose to listen
To what You say about me
This time I won't give in
To the lies I once believed
I'm falling into the outstretched arms of truth
Today I choose You
Today I choose You
Your loving
Your mercy
The freedom you give me
A life that has been made new
Today I choose You
(today I choose You) (today I choose You)I choose You!So today I choose forgiven
Today I choose redeemed
Today I choose to listen
To what You say about me
This time I won't give in

To the lies I once believed
I'm falling into the outstretched arms of truth
Today I choose You
Today I choose You
Today I choose You
Today I choose You
God I choose You
Everyday I choose You
