Me vs. Me

Sam Ock

What am i supposed to feel
When i know that i am wrong
but at the same time i'm forgiven
through and through
What am i supposed to feel
when the guilt is soaking in
and there's ur love
its just the same
but i still i knew...
a civil war is taking place
between my head and heart
and taking up my arms, my tongue
all my body parts
will the cycle of belief
in you or myself end?
dont stop giving me grace
and i sing
i wont let me get me down
i wont let me get me down anymore
i wont let me get me down
cuz the sun illuminates the dark
and shine shine shines on me
