Great Is the Lord

Jim Gilbert

If all I've done at last should come to nothing
And all I love like sand be washed away
Still I will sing of Your unfailing glory
On bended knee, I'll lift my voice and say
Great is the Lord, great is Your name
Till my last breath, I will proclaim
Great is the Lord, great is Your name
I give my life to sing Your praise
Great is the Lord
If You should speak or should remain in silence
Should give me light or lead me through the dark
Whatever cost, whatever joy or sorrow
I'll worship still because of who You are
Great is the Lord, great is Your name
Till my last breath, I will proclaim
Great is the Lord, great is Your name
I give my life to sing Your praise
Great is the Lord
When death becomes, the end of all my labors
And Christ alone, my rest and my reward
May all I've done be one enduring echo
(May all I've done be one enduring echo)
Resounding on to shout, great is the Lord
(Great is the Lord)
Great is the Lord, great is Your name
Till my last breath, I will proclaim
Great is the Lord, great is Your name
I give my life to sing Your praise
Great is the Lord
Great is the Lord, great is the Lord
Great is the Lord
