

MF From Hell

The Datsuns

There's a girl running around my head
I know she makes me frown
She may be crazy, she maybe not be right
She makes me feel like
Like a motherfucker from hell Around her finger
She makes me sigh
With a look
The girl
She made me cry
She may be crazy, may treat me bad
She makes me feel like
Like a motherfucker from hell Like the man said it's just a shot away
It happens Lord everyday
And she says it feels good
Damn I make her feel alright
And it's a damn sight better than I got from you
Damn woman she makes me oh so blue
Like a motherfucker from hell She got me down spinning out of control
That woman
The devils own
She maybe be crazy, she may not be right
She makes me feel like
Like a motherfucker from hell
