Gotta get brand new shoes and a bag
Going to the mall to step up my swag
Wait till they see these pop star sneakies (Ohhhhh)

Even if they want to, them haters can't hate me (nah)
Looking so fly, gotta get my nails done
Candy paint neon, and even bubble gum

When we go shopping, it aint no stopping
School Gyrls, you know we get it popping
Do the dance, cash money credit card
Do the dance, ch-ch-charge

(Chorus 2x)

I said we going to the mall. going-going to the mall
Going to the mall, going-going to the mall
I said we going to the mall, going-going to the mall
Goin Goin Goin

Need a few more dollars at the bank

If you got a bargain, hit me on my email
Time to get it started, This is for my females
