

# All I Want Is You

Miguel

[J.Cole:]Damn, cold world  
I never thought I see that day that you're my old girl  
Now I'm stuck here hollering at old girl  
Got one, got two, three four girls  
Shotgun in the drop made a right  
Hut one, hut two, told them niggas take a hike  
Then it's on to the next one, on, on to the next one  
Hard to move on when you always regret one  
[Miguel:]I wonder sometimes  
I wonder if I was wrong  
Tryna do right by you got me here  
Now all I am is alone  
Cause her eyes  
And those hips  
And that (ass)  
Don't compare, at all (no)  
And at best, all they do is distract me  
But now, deep down, when I face it  
[Chorus:]All I want is you  
All I want is you (now)  
All I want is you now  
Now that you're gone, gone, gone  
[Verse Two:]Cause being a friend was killing me softly  
Hear voices  
Wondering where I went wrong  
It was my fault, in the wrong time,  
I wonder so often, regret get exhausted  
Cause her eyes  
And those hips  
And that (ass)  
Don't compare, at all (no)  
And at best, all they do is distract me  
But now, deep down, when I face it  
[Chorus:]All I want is you (mhm)  
  
All I want is you (now)  
All I want is you now (baby)  
Now that you're gone, gone, gone, gone, gone  
[Bridge:]Cause they don't smile

Or smell like you  
No they don't make me laugh  
Or even cook like you  
And they don't photograph  
Nah, they don't sex like you  
Let's face it, I can't replace it  
That's why all I want is you now...  
[J.Cole:]I hit the club when you left me thinking that could heal  
Trying to celebrate my Independence Day, Will Smith  
Baby gurl who I'm kidding  
Still sick, real shit  
All my new bitches seem to get old real quick  
And could it be you everything these plain bitches couldn't be  
Is it a sign from the Lord that I shouldn't be  
Lost in the Player way sorta get old to me  
Got me on layaway, girl you gotta hold on me  
I say I'm wrong, you say come again  
Damn, said I was wrong look don't rub it in  
I got a lot on my mind  
Got a flock full of dimes  
Like a line full of hoes,  
Look how they coming in  
Just saying  
You don't wanna have me then somebody will  
I'm playing  
Weight on my chest like I body build  
I'm praying  
You ain't content with trying to do your thang  
Hey come back baby boomerang  
[Miguel:]That's why  
All I want is you now (mhhm)  
All I want is you now (yeah)  
All I want is you now (sugar)  
Now that you're gone, gone, gone, gone  
You know that you're gone (I want you back)
