ThereÂ’s A Small Hotel

Chet Baker

I'd like to get away, Junior
Somewhere alone with you
It could be oh, so gay, Junior
You need a laugh
Or twoA certain place I know, Frankie
Where funny people can have fun
That's where the two will go,
DarlingBefore you can count up
One, two, three.
For there's a small hotel
With a wishing wellI wish that we were there together
There's a bridal suite
One room bright and neat
Complete for us to
Share togetherLooking through the window
You can see a distant steeple
Not a sign of people who
Wants people?
When the steeple bell says,
"Good night, sleep well,"
We'll thank the small hotel
TogetherWe'll creep into our little shell
And we will thank the small hotel together
