# Average Guy

## Lou Reed

I ain't no christian or no born again saint
I ain't no cowboy or marxist d.a.
I ain't no criminal or reverend cripple from the right
I am just your average guy, trying to do what's rightI'm just your average guy
An average guy
I am just your average guy
I'm just an average guyAverage guy, I'm just your average guy
I'm average looking and I'm average inside
I'm an average lover and I live in an average place
You wouldn't know me if you met me face to faceI'm just your average guy
Average guy
Average guy
I'm just an average guyI worry about money and taxes and such
I worry that my liver's big and it hurts to the touch
I worry about my health and bowels
And the crime waves in the street
I'm really just your average guy
Trying to stand on his own two feetI'm just your average guy
I'm just your average guy
I'm just your average guy
Average guyAverage looks, average taste
Average height, an average waist
Average in everything I do
My temperature is 98.2I'm just your average guy
An average guy
Average guy
I'm just an average guy
Average guy
I'm just your average guy
I'm just your average guy
I'm just your average guy
Average
