

# The Walk (Mt Eden DnB Remix)

## Imogen Heap

Inside out, upside down twisting beside myself  
Stop that now  
Because you and I were never meant to meet  
I think you better leave  
It's not safe in here  
I feel a weakness coming on Alright then (Alright then)  
I could keep your number for a rainy day  
That's where this ends  
No mistakes, no misbehaving  
Oh, I was doing so well  
Could we just be friends?  
I feel a weakness coming on [Chorus]  
It's not meant to be like this  
Not what I planned at all  
I don't want to feel like this, yeah  
No, it's not meant to be like this  
Not what I planned at all  
I don't want to feel like this  
So that makes it all your fault Inside out, upside down twisting beside myself  
Stop that now  
you're as close as it gets without touching me  
Don't make it harder than it already is  
I feel a weakness coming on [Chorus] Big trouble  
Losing control  
Primary resistance at a critical low  
On the, on the double gotta get a hold  
Point of no return  
One second to go No response on any level  
Red alert this vessel's under siege  
Total overload  
All systems down  
They've got control  
There's no way out  
We are surrounded  
Give in, give in  
And relish every minute of it Freeze  
Or make it forever  
I feel a weakness coming on It's not meant to be like this  
Not what I planned at all

I don't want to feel like this  
No it's not meant to be like this  
It's just what I don't need  
Don't make me feel like this  
It's definitely all your fault Be like this

La la la la la la la la

It's all your fault

(Feel like this)

La la la la la la la la

It's all your fault

(Feel like this)

La la la la la la la la

It's all your fault

(Feel like this)

La la la la la la la la

It's all your fault
