Fortune Teller

Two Way Radio

I'm not a fortune teller
I won't be bringing news
Of what tomorrow brings
I'll leave that up to you
I?m not a fortunate teller
Don't have a crystal ball
I can't predict the future
Can?t see nothin? at all
It doesn't mean I'm afraid of all the things that you say
But I just think we should just stay
Stuck in the moment today
And as the seasons roll by no matter how hard I try
Summer will end and the leaves will turn again
I don't know why you?re acting like this
I don't know why you had to do it again
Why?d you have to go and ruin the night
Don't worry about tomorrows mess
I'll never know how the future will go
I don't know what to tell ya, I'm not a fortune teller
I'll never change but I want you to stay
I don't know what to tell ya, I'm not a fortune teller
I don't like watchin? tv
I don't know what it all means
And your American dream
Baby it just isn't me

I know that what i'm thinking
May not be on your mind
I know the song I'm singing
Is not your favorite kind
It doesn't mean I'm afraid of all the things that you say
But I just think we should just stay
Stuck in the moment today
And as the seasons roll by no matter how hard I try
Summer will end and the leaves will turn again
I don't know why you?re acting like this
I don't know why you had to do it again
Why'd ya have to go and ruin the night
Don't worry about tomorrows mess

I'll never know how the future will go
I don't know what to tell ya, I'm not a fortune teller
I'll never change but I want you to stay
I don't know what to tell ya, I'm not a fortune teller
This feeling, keeps growing
These rivers keep flowing
How can I have answers
When you drown me in questions
I?ll never know how the future will go
I don't know what to tell ya, I'm not a fortune teller
I'll never change but I want you to stay
I don't know what to tell ya, I'm not a fortune teller
