Everlasting Dawn

Ithilien

I came to win
It's everlasting
My soul's nomore
Just a piece of ruin
But still in me
It's them I see
Enlighting me
Strengthen meEverlasting dawn
Fallen from beyond
Hear our voice inside
Battle at our sideEverlasting Dawn
Trapped in her womb
I will set you free
Kill them with meEverlasting Dawn
Escape from your tomb
Hear our voice inside
Battle at our side
