

# Incident On a Bridge

## Kansas

It began in the underground, with visions of light and sound  
The music revealing the deepest passion  
Around us a river raged, still I knew that the scene was staged  
Awaiting the consequence, I don't believe in accidents It's all too real, all these things we feel  
As the years go by, things intensify  
And I know, for each life there is a reason  
And I know, for each time there is a season  
The bridge leads on to a brighter dawn  
It's waiting for me We were tied by a bond of fate, in our hearts we could feel the weight  
Carried along by the winds of fortune  
The outcome was never known and our purpose was never shown  
'Til everything fell in place, the words on the wall we could not erase It's all too real, all these things we feel  
As the years go by, things intensify  
And I know, for each life there is a reason  
And I know, for each time there is a season  
Now the bridge leads on to a brighter dawn  
It's waiting for me Each piece is arranged, the puzzle's complete  
Victory's taste is so bittersweet  
No regrets for the time that was lost  
For it all comes out in the end And the prize is worth all the tears that it cost  
For the stairway you ascend  
Drawing us on, unto the gate  
It's where we belong The world has a lot to give but it's worthless if you don't live  
And life only comes from the one who made it  
When I look back, I see the plan when I retrace the race we ran  
The course was so clear and true  
Each bridge that we crossed led me straight to you It's all too real, all these things we feel  
As the years go by, things intensify  
And I know, for each life there is a reason  
And I know, for each time there is a season  
The bridge leads on to a brighter dawn  
It's waiting for me Always waiting for me  
Oh I know, I know, I know, I know  
I know, I know, I know, I know  
[Incomprehensible]
