

# Shut 'Em Down 2002

## Busta Rhymes

Yeah, back by popular demand, it's about to get Godly  
Yeah, hold it now  
C'mon, c'mon, yeah  
Huh, c'mon, c'mon, yeah, huh Bear witness on the way we stay cuttin' 'em down  
In two thousand two, shuttin' 'em down  
Have you sippin' on it 'til you start suckin' it down  
I hope you know that we ain't fuckin' around Niggaz you betta believe when you see me the shit be double  
trouble  
I over load and take this shit to another level  
I shut it down, sho' nuff, pack ya bags  
Let me work, make it hurt, 'cause I'm next wreck Lay flat nigga hit the deck or face big dis respect  
In addition the shit we wreck  
Firework flow, spit and make a big effect  
Bang it in the truck until ya whole shit eject, c'mon Stop nigga, close ya shop  
Scud missile launched fire burn quick, every shit we drop  
From the ground with another sound yes we put it down  
And always boom and pound, so we shut 'em down I shut 'em down  
(Shut 'em down, shut, shut, shut 'em down)  
I shut 'em down  
(Shut, shut 'em down) I shut 'em down  
(Shut 'em down, shut, shut, shut 'em down)  
I shut 'em down  
(Shut 'em, shut, shut, shut 'em down) I shut 'em down  
(Shut 'em down, shut, shut 'em down)  
I shut 'em down  
(Shut, shut 'em down) I shut 'em down  
(Shut 'em down, shut, shut, shut 'em down)  
I shut 'em down  
(Shut 'em down, shut, shut 'em down) Hah, one, two, three, four, five, six, seven, eight, nine  
Comin' through, betta tuck in ya shine  
Once ya lookin' for the heat, if ya seek it will find  
I had these devils watchin' me sayin' these sneakers is mine Now hold up, we drop the bomb first then get under  
ya mom's skirt  
To get her frenzied like a motherfuckin' rock concert  
While you're busy and tryin' to figure what the God's worth  
I'll malfunction your plans 'til the motherfuckin' sound work Now, I'ma cuss when I bust ya ass  
And leave 'em stiff when I hit 'em like a mustard gas  
Steam fire when I puff, then I flick the ash  
You wack and I had enough, put your shit in the trash Now, you know we got the shit in the smash

Wild until you slip and you crash, y'know we keep the shit in the stash  
From the ground when we come around, yes we put it down  
And always boom and pound, when we shut 'em down I shut 'em down  
(Shut 'em down, shut, shut, shut 'em down)  
I shut 'em down  
(Shut, shut 'em down) I shut 'em down  
(Shut 'em down, shut, shut, shut 'em down)  
I shut 'em down  
(Shut 'em, shut, shut, shut 'em down) I shut 'em down  
(Shut 'em down, shut, shut 'em down)  
I shut 'em down  
(Shut, shut 'em down) I shut 'em down  
(Shut 'em down, shut, shut, shut 'em down)  
I shut 'em down  
(Shut 'em down, shut, shut 'em down) As we rockin' you all to the future  
Ah, we come to give you that  
Operatin' like we be official  
Yeah, we come to multiply And we're plannin' the scheme for the long win  
Yeah, our shit be always right  
Every move you'll see how it's related
