

# Lap Of Luxury

## Nazareth

She was a wall street celebrity  
With upward mobility  
Walked and talked like a man  
But that was o.k. by me  
Two bit losers can never be choosers  
No nit pickin' kickin' the canLivin' in the lap  
Livin' in the lap of luxurySeventeen self abusals  
Got me twenty blind, flat refusals  
While she's dressin' all in white  
I'm gettin' set up for my life  
Hard work never stopped the dance  
But provin' it just ain't worth the chanceLivin' in the lap  
Livin' in the lap of luxuryEverything's alrighty by me  
With risin' credibility  
I'm leavin' a mark with my indelability  
She's earnin' the money  
I'm servin' the honey  
Bring it on home to the hive---no jiveLivin' in the lap  
Livin' in the lap of luxury(rankin, mccafferty, agnew, sweet)
