

Vodevil

Marilyn Manson

I wake up everyday
The wrong side of the bed
I won't lay down on the floor
Like I'm the whore in your head
Call me a failure
Pretender, sex-offender, infecter
Say I killed all my friends
And I deserve to be dead Kiss baby kiss
Bang baby bang
Suck baby suck
It's vodevil
Kiss baby kiss
Bang baby bang
Suck baby suck
It's vodevil This isn't music and we're not a band
We're five middle fingers on a motherfucking hand
This isn't music and we're not a band
We're five middle fingers on a motherfucking hand I won't pull out I just came
I want all of the blame
Your love is tin, faith is thin
No concept of pain, right to complain
All you fagazines, senile teens
Jaw me, black ball me
D.J. yourself away
Turn your back it will be easier to stab Kiss baby kiss
Bang baby bang
Suck baby suck
It's vodevil
Kiss baby kiss
Bang baby bang
Suck baby suck
It's vodevil This isn't music and we're not a band
We're five middle fingers on a motherfucking hand
This isn't music and we're not a band
We're five middle fingers on a motherfucking hand V.I.P. A D D T R D
Violent shiny hate crime, total requested dead
It's version pointless, downloadable suicide
The only ones left standing
Are the ones not demanding

This isn't a show, this is my fucking life I'm not ashamed, you're entertained
But I'm not a puppet
I am a grenade
I'm not ashamed, you're entertained
But I'm not a puppet
I am a grenade Kiss baby kiss
Bang baby bang
Suck baby suck
It's vodevil
Kiss baby kiss
Bang baby bang
Suck baby suck
It's vodevil This isn't music and we're not a band
We're five middle fingers on a motherfucking hand
This isn't music and we're not a band
We're five middle fingers on a motherfucking hand This isn't music and we're not a band
We're five middle fingers on a motherfucking hand
This isn't music and we're not a band
We're five middle fingers on a motherfucking hand
