

# Paper Route (Ft. Chevy Woods aka Kev Da Hustla)

## Mac Miller

Ay Yo you thirsty?  
Hellz ya Im fucking dehydrated  
You got any money?  
Three pennies and a ball of lint kid  
Chevy please let me roll this weed up  
This the main event so watch people pull they seats up  
Bottle of some gin lets just hit a couple freaks up  
Ima take one home and have her singing like the glee club  
Never on no cheap stuff  
Here we got expensive taste  
Green lights never press the breaks  
You can look at us roll all the kush that we blow  
So you know im at the show looking good for these hoes  
Got they man on patrol  
Shawty wanna live it up  
Playin hard to get but she wanna give it up  
Yeah you smokin good but we probably smokin better  
And 151 takin shots with no barretta  
Know me homie im the king you could watch me do my thing  
With a drink getting drunk havin one night flings  
This is Pittsburgh home of the six rings  
We getting money now all we hear is Cha Ching  
And we do anything to get this paper so they follow  
everywhere we go  
So for the bullshit we aint got later cuz we down here on this road  
And we do anything to get this paper so they follow everywhere we go  
So for the bullshit we aint got later cuz we down here on this road  
Cool ass, fly around chillen young fool  
Gin cups sippen thats me, thats what I do  
I got the gang in my bloodstream, strong how im livin  
And Im G'd up so now they just throwin away the kitten (it's real)  
I swear you hella bad the younger mac tell me bout you  
But we cool if you stuck up we could go without you  
We on this money we schooling you know we be the block  
I swear the homie gotta gift so he dont need the block  
Zig Zag papers, king size  
Smoking chillin in angry cars, mean rides  
Pops was a hustler and moms ran track  
So tell me what you get in me when you mix that  
I just sit back light minds  
and middle finger you suckers with my nice rhymes  
So whether home or the road
