Machine Gun Ibiza

Prefab Sprout

He's a stone delta blues man
He's a top rollmo' star
He's a stone delta blues man
He's a top rollmo' starBlack wand, white magic, nitroglycerin
He's earned the right to be known as'Machine Gun Ibiza'
Voodoo up rollmo' down
'Machine Gun Ibiza'
Hangin' ten with the hurricane soundIf you've never been nowhere
Don't you pay that no mind
If you've never been nowhere
Don't you pay that no mindFeel part of no circle? If you make no scene
Well you've earned the right to hang out with'Machine Gun Ibiza'
Voodoo up rollmo' down
'Machine Gun Ibiza'
Hangin' ten with the hurricane soundIf you're a goddess, if your heart's sixteen
Girl you're gonna wake up buddies with'Machine Gun Ibiza'
Voodoo up rollmo' down
'Machine Gun Ibiza'
Hangin' ten with the hurricane soundOh light a fire, be an ex-marine
Baby, learn to burn your dog tag like'Machine Gun Ibiza'
Voodoo up rollmo' down
'Machine Gun Ibiza'
Hangin' ten with the hurricane soundHangin' ten with the hurricane sound
Hangin' ten with the hurricane sound
Hangin' ten, sound
'Machine Gun Ibiza'
Voodoo
