

Arise / Dead Embryonic Cells

Sepultura

Obscured by the sun
Apocalyptic clash
Cities fall in ruin
Why must we die? Obliteration of mankind
Under a pale grey sky
We shall arise I did nothing, saw nothing
Terrorist confrontation
Waiting for the end
Wartime conspiracy I see the world - old
I see the world - dead Victims of war, seeking some salvation
Last wish, fatality
I've no land, I'm from nowhere
Ashes to ashes, dust to dust Face the enemy
Manic thoughts
Religious intervention
Problems remain Land of anger
I didn't ask to be born
Sadness, sorrow
Everything so alone Laboratory sickness
Infects humanity
No hope for cure
Die by technology A world full of
Shit coming down
Tribal violence everywhere
Life in the age of terrorism
We spit in your other face War of races
World without intelligence
A place consumed by time
End of it all We're born with pain
No more we're dead
Embryonic cells Corrosion inside, we feel
Condemned future, we see
Emptiness calls, we hear
Final premonition
The truth Land of anger
I didn't ask to be born
Sadness, sorrow
Everything so alone Laboratory sickness
Infects humanity

No hope for cure
Die by technology We're born with pain
Suffer remains
We're born with pain
Suffer remains
We're dead
