

Fever

Don Diablo & CID

It ain't enough, I need it now
That's how I want it, I want it now
Turn up the speaker, this is the heat, girl 100 degrees, 'cause I got the fever (Fever, fever, I got the fever)
(Fever, fever) 'Cause I got the fever
(Fever, fever, I got the fever)
(Fever, fever) 'Cause I got the fever
(Fever, fever, I got the fever)
(Fever, fever) 'Cause I got the fever
(Fever)
DJ, turn this one up
(Yeah)
Turn this one up
(Turn this one up)
DJ, turn this one up (Turn this one up)
(Yeah)
(Turn this one up)
(Yeah)
(Turn this one up)
DJ, turn this one up It ain't enough, I need it now
That's how I want it, I want it now
Turn up the speaker, this is the heat, girl
100 degrees, 'cause I got the fever
(Fever, fever, I got the fever)
(Fever, fever) 'Cause I got the fever
(Fever, fever, I got the fever)
(Fever, fever) 'Cause I got the fever
