

Live Without Regrets

Amon Amarth

Advisory - the following lyrics contain explicit language:

From birth we're taught how to survive
We're taught how war is waged
And there are no men now alive
Who stops our wild rampage
Light at heart we bide our bane
Whatever death await
Norsemen live without regrets
We accept our woven fate
So fearlessly we charge ahead
There is no time to hesitate
Don't despair, show no fear
Live your life without regrets
Don't despair and show no fear
In the face of a certain death
A coward thinks he'll always live
If he keeps himself from strife
Old age leaves no rest in peace
Though spears may spare his life
We don't mourn a friend that fell
Or dread the day, we'll fall ourselves
Warriors don't go to hell
'Cause we know you will greet us well
So fearlessly we charge ahead
There is no time to hesitate
Don't despair, show no fear
Live your life without regrets
Don't despair and show no fear
In the face of a certain death
So raise your horns to those who died
Let's drink to fallen friends tonight
Let's celebrate their glory life
We'll meet again in Valhall when we die
When we die, when we die
