

# Messiah

## Hellhammer

This our way, we cannot turn  
We've reached our time; this world must burn

Messiah

Judgement day; no guilt  
Our task; let us pray  
Six, six, six in the works  
Demon seed invades the earth

Messiah

This our way, we cannot turn  
We've reached our time; this world must burn  
Knowledge lost; there is no shame  
This our way, we cannot turn

Messiah
