Plasticworld (feat. Fats & TC)

Pendulum

I can't get used to you
I can't get used to you
I'm gonna take yourself away (oh, yeah, come on, get it)
Like the way you move, like the way you groove (oh, yeah, come on, get it)You got structure
You betta believe ya (yeah)
Who's comin at ya
The way you look when ma music flowinYou got structure
You betta believe ya (yeah)
Who's comin at ya
The way ya look when the music's rollinI can't get used to you
I can't get used to you
Ohh, yeah, come on, get itYou got structure
You betta believe ya (yeah)
Who's comin at ya
The way you look when ma music flowinYou got structure
You betta believe ya (yeah)
Who's comin at ya
The way ya look when the music's rollinI can't get used to you
I can't get used to youOh, yeah, come on, get itYou got structure
You betta believe ya (yeah)
Who's comin at ya
The way you look when ma music flowinYou got structure
You betta believe ya (yeah)
Who's comin at ya
The way ya look when the music's rollinOh, I can make ya feel so good
And yeah, turn ya world upside down
Oh, I can look into your thoughts
And yeah, I can look forever if I so desire
I don't really wanna show you all that
If its ok that we can call that
I don't really know where I stand now
I can do anything ya want butI can't get used to you
I can't get used to youYou got structure
You betta believe ya (yeah)
Who's comin at ya
The way you look when ma music flowinYou got structure
You betta believe ya (yeah)
Who's comin at ya

The way ya look when the music's rollin
