

# Don't Believe Anymore

## Icehouse

I never counted on this  
Guess that's the way that it goes, yeah  
You used to be someone I knew  
Somebody I could understand but Now, I don't know what to do  
And I don't know who you are, no  
All those things, I hear you say  
You talk that way, you're a stranger and I don't know where to begin  
Don't want to hear it again I don't believe anymore  
And this is all I know  
I know, I've heard it before  
I don't believe anymore And I remember your voice  
Before this happened to us  
And I could see and I was sure  
And everything was young and new but We lost it too many times  
And that's the way that it is  
Lovers come and lovers go  
When you think you know, it just isn't true, oh I don't know where to begin  
Don't want to hear it again I don't believe anymore  
And this is all I know  
I know, I've heard it before  
I don't believe anymore I don't know where to begin  
Don't want to hear it again I don't believe anymore  
And this is all I know  
I know, I've heard it before  
I don't believe anymore  
Don't believe anymore  
Don't believe anymore Don't know where to begin  
Don't want to hear it again Don't believe anymore  
And this is all I know  
I know, I've heard it before  
Don't believe anymore  
Oh, oh, oh  
Don't believe anymore
