

Children of the Sea

Dio

In the misty morning, on the edge of time
We've lost the rising sun, a final sign
As the misty morning rolls away to die
Reaching for the stars, we blind the skyWe sailed across the air before we learned to fly
We thought that it could never end
We'd glide above the ground before we learned to run, run
Now it seems our world has come undoneOh they say that it's over
And it just had to be
Ooh they say that it's over
We're lost children of the sea, ohWe made the mountains shake with laughter as we played
Hiding in our corner of the world
Then we did the demon dance and rushed to nevermore
Threw away the key and locked the doorOh they say that it's over, yeah
And it just had to be
Yes they say that it's over
We're lost children of the seaIn the misty morning, on the edge of time
We've lost the rising sun, a final sign
As the misty morning rolls away to die
Reaching for the stars, we blind the skyOh they say that it's over, yeah
And it just had to be
Oh they say that it's over
Poor lost children of the sea, yeahLook out! The sky is falling down!
Look out! The world is spinning round and round and round!
Look out! The sun is going black, black
Look out! It's never never never coming back, look out!
