

Hole in the World

DollsHead

There's a hole in the world tonight
There's a cloud of fear and sorrow
There's a hole in the world tonight
Don't let there be a hole in the world tomorrow
They say that anger is just love disappointed
They say that love is just a state of mind
But all this fighting over who is anointed
Oh, how can people be so blind?
There's a hole in the world tonight
There's a cloud of fear and sorrow
There's a hole in the world tonight
Don't let there be a hole in the world tomorrow
Oh, they tell me there's a place over yonder
Cool water running through the burning sand
Until we learn to love one another
We will never reach the promised land
There's a hole in the world tonight
There's a cloud of fear and sorrow
There's a hole in the world tonight
Don't let there be a hole in the world tomorrow
(There's a hole in the world tonight)
They say that anger is just love disappointed
(There's a cloud of fear and sorrow)
They say that love is just a state of mind
(There's a hole in the world tonight)
But all this fighting over who will be anointed
(Don't let there be a hole in the world tomorrow)
Oh, how can people be so blind?
There's a hole in the world tonight
Hole in the world
There's a cloud of fear and sorrow
Fear and sorrow
There's a hole in the world tonight
Don't let there be a hole in the world tomorrow
There's a hole in the world tonight
There's a hole in the world
(There's a cloud of fear and sorrow)
A cloud of fear and sorrow
There's a hole in the world tonight

(Don't let there be a hole in the world tomorrow)

Don't let there be a hole in the world

There's a hole in the world tonight

(There's a cloud of fear and sorrow)

Oh there's a cloud of fear and sorrow

There's a hole in the world tonight

(There's a hole in the world tonight)

Don't let there be a hole in the world tomorrow

There's a hole in the world tonight

There's a cloud of fear and sorrow

There's a hole in the world tonight

Don't let there be a hole in the world tomorrow

There's a hole in the world tonight

There's a cloud of fear and sorrow

There's a hole in the world tonight
