Beautiful

Donell Jones

My girl broke down and finally told me that she loves me
It took time because she takes it so seriously
The girl found I was into her beauty and I donâ€™t mind
But itâ€™s everything about her that keeps this brother in line

So exotic in the face, man this girlâ€™s a cutie
Making move arch from the back â€˜cause she got that head move
But the more that weâ€™re together her better qualities shine
Iâ€™ve been waiting for this moment to tell â€˜er whatâ€™s on my mind

Beautiful as you are
Donâ€™t mean a thing to me
(It donâ€™t mean a thing, yea)
Beautiful as you are
Your beauty just skin deep

I want you for your heart and I want you for your love
Thatâ€™s the beautiful that I need
No one can come between us
That type of beauty donâ€™t come cheap

Iâ€™ll protect your love, be the man you want me to be
Never taking you for granted, make sure that you see
That Iâ€™d do about anything to ensure that youâ€™re satisfied
â€˜Cause a woman that ainâ€™t stuck on her looks is just hard to find

I respect the fact you hated to say you love me
â€˜Cause most of times when people say it they use it loosely
I put the love you have deep for me without even trying
Take this opportunity
Someday itâ€™s all mine

Beautiful as you are
Donâ€™t mean a thing to me
(It donâ€™t mean a thing to me baby)
Beautiful as you are
Your beauty just skin deep

I want you for your heart and I want you for your love
Thatâ€™s the beautiful that I need

No one can come between us
That type of beauty donâ€™t come cheap
(Bridge)
I want you for your love
Play on, pave the way

It donâ€™t mean a thing, yea
Beauties always getting deep
I want so much more

And you, youâ€™re beautiful

Beautiful as you are
Donâ€™t mean a thing to me
Beautiful as you are
Your beauty just skin deep

I want you for your heart and your love
Thatâ€™s the beautiful that I need
No one can come between us
That type of beauty donâ€™t come cheap

I want you for your love

Beautiful as you are
Donâ€™t mean a thing to me
Beautiful as you are
Your beauty just skin deep

I want you for your heart, your love
Thatâ€™s the beautiful that I need
No one can come between us
That type of beauty donâ€™t come cheap

I want you for your love
