

# Without a Woman

Trey Songz

Picture this coming home from a long day's work, no food is there  
Picture this steady trying to show the world you're worth, and nobody cares  
Picture this no kissing, ain't no touching, there's no hugging  
And in the evening no good loving Ain't no pretty picture you can paint  
Ain't no way this life would be the same  
I'm telling you a man can't be a man without a woman  
And you can try as hard as you can, but we ain't nothing without a woman  
Living in a world so cold, so cold  
The fire burns through my soul, without a woman What if you had no hands to rub upon your shoulders  
And in the morning she's not there to fix your folgers  
You're sick as a dog right now  
Kids running all around that house  
No one to help you out  
Picture this you paying these bills all by yourself  
No one to tell you watch your health  
But keep it girl, you might as well  
Picture this 'cause your world don't spin without her  
And hers gon' spin without you Ain't no pretty picture you can paint  
Ain't no way this life would be the same  
I'm telling you a man can't be a man without a woman  
And you can try as hard as you can, but we ain't nothing without a woman  
Living in a world so cold, so cold  
The fire burns through my soul, without a woman Say hello to pain, goodbye to love  
Hello to rain the sun will never shine again  
There'll be no Wednesday movie nights  
No make-ups after fights  
Girl I'll make it right  
I'm lonely with my pillow  
Your car's not in the drive way  
Clothes ain't in the closet  
Girl I'm broken hearted  
Come and find me 'cause I'm lost without my woman  
And I know that a man can't be a man without a woman  
You can try hard as you can  
But you won't be nothing without a woman  
Living in a world so cold, so cold  
The fire burns through my soul, without a woman See baby life ain't life  
And living ain't living  
Without my woman

Hurting inside  
Without my woman no, no, no
