

# Ear on the Fool (Demo)

## Royal Thunder

I'm in  
Over my head  
Follow that light  
Voice in my ear  
Which one is right  
Which one is. I will get into it  
Down to the bottom  
Inside of my mind and into my heart  
I will get into it  
Down to the bottom  
Inside of my mind and into my heart  
I'm in  
Over my head  
Follow that light  
Voice in my ear Which one is right  
Which one is.  
I will get into it  
Down to the bottom  
Inside of my mind and into my heart  
Oh, I really wanna tell them now  
There's a lie that lives and breathes  
Oh, I really need to get this out  
There's a lie that lives in me  
Oh, I really wanna tell you now  
Deep inside it lives it sleeps  
Oh, I really need to get this out.  
My heads spinning  
All around  
All around  
I'm in  
Over my head  
Over my head  
Voice in my ear  
Which one is right  
Which one is right.
