

Time of Our Life

Big Time Rush

I'm lookin' at you, yeah
You're lookin' at me
Something about you's got me goin' crazy
So what should I do? What can I say?
She's beautiful, unusual, the prettiest thing in the room

No one else compares to you
Just do what you do and I will be there for you
If you take my hand (my hand), just give me the chance (the chance)
Say don't worry about a thing
Just dance, dance, dance

Hey!
It feels right girl just give me a sign
We're gonna party all night,
Have the time of our life, yeah
I can't fight how I'm feelin' inside
We can party all night have the time of our life, girl

Oh oh whoa
Oh oh whoa
We're gonna party all night
P-par-party all night, girl

Oh oh whoa
Oh oh whoa
We're gonna party all night
Have the time of our life, girl

I can't help myself, 'cause girl you're so fly
I knew from the minute that I looked in your eyes
That you could be the one, you're just my type
Can't let you get away, it's obvious
I'm into you
No one else compares to you
Just do what you do and I will be there for you
If you take my hand (my hand), just give me the chance (the chance)
Say don't worry about a thing
Just dance, dance, dance

(Don't worry girl)

Hey!

If feels right girl just give me a sign
We're gonna party all night
Have the time of our life, yeah
I can't fight how I'm feelin' inside
We can party all night have the time of our life, girl

Oh oh whoa
Oh oh whoa
We're gonna party all night
P-par-party all night, girl

Oh oh whoa
Oh oh whoa
We're gonna party all night
Have the time of our life, girl

No we don't have to leave tonight
We'll stay together on the dance floor
Turn up the sound, turn down the lights
(The lights, the lights, the lights)
(Don't wanna let go, yeah)
Let's make a night we won't forget
And we'll live it with no regrets
And no one else but us
Til the sun comes up

It feels right girl just give me a sign
We're gonna party all night
Have the time of our life, yeah
I can't fight how I'm feelin' inside
We can party all night have the time of our life, girl

Oh oh whoa
Oh oh whoa
We're gonna party all night
P-par-party all night, girl

Oh oh whoa
Oh oh whoa
We're gonna party all night
Have the time of our life, girl
