What Are You Waiting For?

No Secrets

There is this girl, she looks a lot like me
And all she does is think about you constantly
But she's too shy to ever let it show
And I think you knowNow, just for fun let's pretend that it's me
And I'm everything you'll ever needWhat are you waiting for?
Are you crazy?
Open up your eyes and see
What's going on babyThere's someone at your door
Her heart is racing
Come on and make your move
What are you waiting for baby?Now here's a clue, her favorite color's blue
That's how she'll feel if she can't be with you
'Cause you're the one who takes her breath away
When you look that waySo just for fun let's pretend that it's me
And I'm everything you'll ever needWhat are you waiting for?
Are you crazy?
Open up your eyes and see
What's going on babyThere's someone at your door
Her heart is racing
Come on and make your move
What are you waiting for baby?I hear there's something good that waits for you
Check it out, it just might be true
There's so much more to her than meets the eye
You'll never know it if you don't tryWhat are you waiting for?
Are you crazy?
Open up your eyes and see
What's going on babyThere's someone at your door
Her heart is racing
Come on and make your move
What are you waiting for baby?
