

# Ladies Love Me

Chris Brown

Ladies love me, I'm on my Cool J  
My bad, I'm sorry, I'm double parked yeah that's my Bugatti  
And that's my Ferrari next to my Ducati  
Call my old school Big Bertha that big body  
Boy I get exotic, my car need a pilot  
Get free drinks to party, yo nigga need his wallet  
No limit to what I'm spending so I know she's 'bout it 'bout it  
And who in the hell is smoking in here cause it's super cloudy  
Goons with me, dressed like skaters, give you bruised kidneys, stretch ya later  
Man my house so big took the escalator to the elevators took the elevator to the private jet then I jet nigga see ya  
later

Ladies love me, I'm on my Cool J (yellow model chick)  
Ladies love me (yellow bottle sippin')  
Ladies love me, I'm on my Cool J (yellow Lamborghini)  
Ladies love me  
Shawty mane, I'm back  
Baby I'm yo doctor, I could be your rocker  
Swagging I'm not bragging but I swear that I could rock ya  
Baby I'm not crazy I got swag like Patrick Swayze  
Know them haters never phase me that's just how my mama raised me  
I am incredible this is inedible killing this track was inevitable  
I am hetero baby you better know JB is generally just a g.  
look at me, now. I said look at me

Swaggin' with a crooked T  
Body slammed beat from d beat, call me Booker T  
I said whoa there, whoa there baby you just need to stop  
I'm busy out performing and I'm going to the top  
I've got so much to lose so I'm steady getting rock bottom  
Haters go down and we just get to watch ah  
Amazing, I'm blazing, look over here and see that I'm amazing  
Nobody's facing what I'm facing set a pace so I can race without pacing  
Lace my shoes up, start racing, you can taste it without faste-ing, I mean fasting  
Start blasting, car Lauren Hill duop that thing  
Swagger jacking, it's not what it do  
JB is the man yeah he's the truth  
He's a beast when he steps up in the booth  
I just landed, I did too  
I'm a gentleman, yes I'm a gentleman

I'm out of my element but I'm still elegant  
I'm full of adrenaline you know what that means  
Louis V high tops with the skinny jeans  
Ladies love me, I'm on my Cool J (yellow model chick)  
Ladies love me (yellow bottle sippin')  
Ladies love me, I'm on my Cool J (yellow Lamborghini)  
Ladies love me (yellow top missin')
