

# Teach Me How To Dance

## Che'Nelle

Could you, could you, could you teach me?  
Could you, could you, could you teach me? Straight up  
Do you have rhythm underneath your feet?  
Does the beat flow through that fine body?  
Do you enjoy sweatin' all on me? Did you just bust that move freestylin'  
Do you do much choreographin'  
You're wildin' out, boy, great timin'  
I like a man who can dance Show me how you shake it, twist it like you're breakin'  
Pop it like your bones are dislocatin'  
Grind me like you're horny, turn me? round slowly  
Drop me to the floor, pull me up again, honey  
Show me how you shake it, twist it like you? re breakin'  
Pop it like your bones are dislocatin'  
Grind me like you're horny, turn me 'round slowly  
Drop me to the floor, pull me up again, honey You rockin' it, swingin' it, bangin' it  
Teach me how to  
Step and flow, how to roll, boy, if you  
Teach me how to dance Could you, could you, could you teach me?  
Teach me how to  
Could you, could you, could you teach me?  
Teach me how to dance Excuse me while I check out your style  
You move so good, all I could do is sigh  
You're making me start to fantasize Is it true if a guy can really move  
They use it just as good in the bedroom?  
Oops, didn't mean to come across so rude, ooh  
Show me how you shake it, twist it like you? re breakin'  
Pop it like your bones are dislocatin'  
Grind me like you're horny, turn me 'round slowly  
Drop me to the floor, pull me up again, honey Show me how you shake it, twist it like you're breakin'  
Pop it like your bones are dislocatin'  
Grind me like you? re horny, turn me? round slowly  
Drop me to the floor, pull me up again, honey You rocking it, swinging it, bangin' it  
Teach me how to  
Step and flow, how to roll, boy, if you  
Teach me how to dance Could you, could you, could you teach me?  
Teach me how to  
Could you, could you, could you teach me?  
Teach me how to dance Let me get your number please  
I don't care if there's a fee
