

# Uhn Tiss Uhn Tiss Uhn Tiss

## Bloodhound Gang

Uhn tiss, uhn tiss, uhn tiss, baby  
Dog will hunt, I'm the front-end loader, travoltin' over  
So try my slam on for size  
Drive stick with that Kung-Fu grip, let the banana split  
And watch it go right to your thighs  
Copperfield, Copperfield style, abracadabra  
That bra, do you think I can pull it off?  
Wanna bang around? Just jot me down on your to-do list  
Under 'Put out like a fire'  
'Cause I got somethin' and it goes thumpin' like this  
All you need is my uhn tiss, uhn tiss, uhn tiss  
I got somethin' and it goes thumpin' like this  
All you need is my uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Edible, strange, how do I get in your pants  
When you're tick-tockin' them  
Serious Levis, so tight, can't be classified  
That's why I'm here to fill that opening  
Make a seasoned pass to mount that ass  
And Bob Hope that I might, one night, stand a chance  
Let's go, Feng Shui, the fuck around my digs  
Like a superball, bring that sunny side up  
And I got somethin' and it goes thumpin' like this  
All you need is my uhn tiss, uhn tiss, uhn tiss  
I got somethin' and it goes thumpin' like this  
All you need is my uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss

Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
I got somethin' and it goes thumpin' like this  
All you need is my uhn tiss, uhn tiss, uhn tiss  
I got somethin' and it goes thumpin' like this  
All you need is my uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss  
Uhn tiss, uhn tiss, uhn tiss, baby  
Uhn tiss, uhn tiss, uhn tiss
