Welcome

Savatage

The lights come on, the set is down
The curtain's flown away
To all you creatures of the night
I say it's time we playWe'll show you things that in your life
You'd never dreamed you'd know
And now before the ghosts arrive
It's welcome to the showMinstrels, kings, explorers
Fantasies on order
Ghosts and dreams awakened
Stories long forsakenedThe minstrel and the sorcerer
Are switching their disguise
The jester drinks and starts to think
That he alone is wiseThe governor and journalist
Exchange a Judas kiss
And now before the song is done
The plot begins to twistGhosts and lost explorers
Fate with all her daughters
Saints and hopeless sinners
Wise men in their winters knowWelcome to the show
Welcome to the show
Welcome to the show
Welcome to the show
