Mercury Blues

Steve Miller Band

If I had money, tell you what I'd do
I would go downtown, buy a Mercury or two
'Cause I'm crazy 'bout a Mercury
Cruise up and down this road
Gonna buy me a Mercury, baby
Cruise up and down this roadYou know that gal I love, I stole her from a friend
Fool got lucky, stole her back again
'Cause knew he had a Mercury
Cruise up and down this road
I'm gonna buy me a Mercury, baby
Cruise up and down this roadHey now mama know you look so fine
Crusin' 'round in that Mercury 49
I'm gonna buy you a Mercury
Cruise up and down this road
I'm gonna buy you a Mercury, baby
Cruise up and down this roadGonna buy you a Mercury, baby
Cruise up and down this road
I'm gonna buy you a Mercury
Gonna buy you a Mercury
Goin' to buy you a Mercury
Cruise up and down this roadI'm gonna buy you a Mercury, baby
Goin' to buy you a Mercury
I'm gonna buy you a Mercury
Cruise up and down this road
