Cellar

Anthony Green

I should be the one to hold you close
Sunday morning all day
I can see the sun is on the rise
Faced with all I need to knowI can see it in your eyes
I can see without compromise
You're all I need
I can hear it in your sigh
I can hear without compromise
You're all I need
I can feel the sun is on the rise
Monday morning all day
I will be the one to hold you down
Faced with all I, I need to knowI can see it in your eyes
I can see without compromise
You're all I need
I can hear it in your sigh
I can hear without compromise
You're all I need
I can see it in your eyes
I can see without compromise
You're all I need
I can hear it in your sigh
I can hear without compromise
You're all I need
