

Grow Old With You

The Icarus Account

I wanna make you smile when you're feeling sad
Carry you around when your arthritis is bad
All I wanna do is grow old with you
I'll get your medicine when your tummy aches
Build you a fire if the furnace breaks
Oh it would be so nice, growing old with you
I'll miss you
I'll kiss you
Give you my coat when you're feeling cold
I'll need you
Feed you
Even let you hold the remote control
So let me do the dishes in our kitchen sink
Put you to bed when you've had too much to drink
Oh all I wanna do is grow old with you
I wanna grow old with you
I wanna grow old with you
