

Private Eyes (Black Dominoes remix)

Hall & Oates

I see you, you see me
Watch you blowin' the lines
When you're making a scene
Oh girl, you've got to know
What my head overlooks
The senses will show to my heart
When it's watching for lies
You can't escape my Private eyes
They're watching you
They see your every move
Private eyes
They're watching you
Private eyes
They're watching you watching
You watching you watching you You play with words you play with love
You can twist it around baby that ain't enough
'Cause girl I'm gonna know
If you're letting me in or letting me go
Don't lie when you're hurting inside
'Cause you can't escape my Private eyes
They're watching you
They see your every move
Private eyes
They're watching you
Private eyes
They're watching you watching
You watching you watching you Why you try to put up a front for me
I'm a spy but on your side you see
Slip on, into any disguise
I'll still know you
Look into my Private eyes
They're watching you
They see your every move
Private eyes
They're watching you
Private eyes
They're watching you Private eyes
They're watching you
They see your every move

Private eyes
They're watching you
Private eyes
They're watching youPrivate eyes
They're watching you
They see your every move
Private eyes
They're watching you
Private eyes
They're watching you
