Mindsnare

Napalm Death

(Lyrics Greenway : Music Harris, Mitch)
[Mindsnare]
Reasoning poison in the vein
Chasing the dragon who's frying your brain
The shit that once gave you the high
Now controls your escape from proverbial cloud nine
Sad dependency - Brainfried society
Mindsnare
All essence of being turmoil
Your white powder god brings life to the boil
Forget all your family and friends
Heroin becomes guardian to the end
[Sad dependency - Brainfried society]
Jack-up
Its powers of deception
Seems to null all daily strain
But just another fix
Grip on reality fades out day by day
