

In Your Arms

Envy

[Verse 1: Nico]

I feel like superman
They gon' remember me
I think I know I can
Who says it's hard to reach
Who's gonna stop me on the road to success
I don't know They try to break me down
But I'm still on my feet
This city's full of life
So why's it hard to breath
Oh why did God create this world so unfair
I don't know [Hook: Nico]

Sometimes I feel like I can run, I can crawl
And sometimes I feel like I ain't nothing at all
Life is a journey where you stumble and fall
But I'm okay, when I lay down in your arms

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

When I lay down in your arms

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

When I lay down in your arms [Verse: Vincent]

I feel like moving back

Sometimes it's hard to dream

The life I chose is past

It's moving without me

Who doesn't want a machine

So they can go back in time

I don't know My time went by too fast,

There's no one left but me

I've got a nine to five and it gets the best of me

This is the life I'm gonna live till the end

But I'm okay, when I lay down in your arms

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

When I lay down in your arms

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

When I lay down in your arms[Hook]

Sometimes I feel like I can run, I can crawl

And sometimes I feel I ain't nothing at all

Life is a journey where you stumble and fall

But I'm okay, when I lay down in your arms

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

When I lay down in your arms

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

When I lay down in your armsOhhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

When I lay down in your arms

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

Ohhh-oh-oh-oh-oh

When I lay down in your arms
