# Shrine

## Jeff Beck

Everything done has been done before,
Hunger for power and thirst for war.
Spent my days standin' in the pourin' rain,
But I know that I'm on my way.I'll never lose my faith in Rock 'N' Roll,
Never let hate make a home in my soul.
7000 temples can crashing down,
But I know that I'm on my way.Who do I believe in? I believe in me
Worship at the shrine of the human body.
Who do I pray to? Think I'll pray to you.
Got faith in the good things
That good people can do...Must we destroy what we don't understand?
All of these labels man-made by men.
Bad times have past, bad times will come,
But I know that I'm on my waySo who do I believe in? I believe in me
Worship at the shrine of the human body.
Who do I pray to? I'll pray to you.
Got faith in the good things
That good humans can do...Who do I believe in? I believe in me
Worship at the shrine of the human body.
Who do I pray to? Think I'll pray to you.
Got faith in the good things
That good people can...Who do I believe in? I believe in me
Worship at the shrine..
Who do I pray to? I'll pray to you.
Got faith in the good things
That good humans can do...
