My Dougie

Lil Wil

Its a big E beat
Know what i'm sayin (yeah)
I'm so motherfuckin fly right now
You know what i'm saying
Up on some big E shit you know
Rule boy in tee nigga
We funna lock this shit down
D town ya know

Walk up on the set stepping with a swag
Clothes gotta dro over so you know i blow back
Fresher than a motherfucker pockets got stacks
Hoes looking over here cause they like the ski jacket
Chearper going off like i got a disbatch
They looking for that work and i aint bout to holla back (Nope)
Post up on the whip start looking fo something bad
Nice eyes cute face and gotta have a fat ass
Bust the pussy open then i tell her bring it back
I'm a beast up in these sheets like something you never had
Caught you at the club doing that sexy ass dance
dropped it down to the floor brought it back up in a stands (Got Damn)
I like the way she workin it ass sit right its like magic when she twerkin it
Baby dont you jerk me i know this shit is certian
cause its guarantee that if you let me beat it and i'd merk it

My dougie, my dougie, my dougie
my dougie, my dougie, my dougie my dougie
she said she like my dougie, i'm fresh
my dougie, i'm fresh, my dougie, i'm fresh
Yup fly than a motherfucker

My dougie, my dougie, my dougie,
my dougie, my dougie, my dougie, my dougie
she said she like my dougie, i'm fresh
my dougie, i'm fresh, my dougie, i'm fresh
Yup fly than a motherfucker

Just got a fade dressed to impress
born with a shoe fetish so you know i stay fresh
I aint worried bout that mess a couple grand up on my chest

Plus Drew just bought a tech and i say fresher than some zest
Dont want my shoes to get some space, dont want no bitch to touch my neck
I'd tear this club up if i feel some disrespect
I just wanna find a chick casue lil will just popped an X
And i dont wanna work hard cause i'm feelin for some sex
Do my dougie fresh and watch them hoes get to choosing
Middles of the club jammin hard to my music
Bet you cant do me like a triple x movie
Pull that dick up out the pussy let it slap you on the booty
Comming hard in the jacuzi hold my gaurder like a chewing bag
Scares still pursuring cause i get a thang of boosie
Dont know what i'm doing better check me out fully
Mix that dougie fresh with that north side boogie

My dougie, my dougie, my dougie
my dougie, my dougie, my dougie my dougie
she said she like my dougie, i'm fresh
my dougie, i'm fresh, my dougie, i'm fresh
Yup fly than a motherfucker

My dougie, my dougie, my dougie,
my dougie, my dougie, my dougie, my dougie
she said she like my dougie, i'm fresh
my dougie, i'm fresh, my dougie, i'm fresh
Yup fly than a motherfucker
