Blindness

Metric

Send us a blindfold, send us a blade
Tell the survivors help is on the way
I was a blindfold, never complained
All the survivors singing in the rain
I was the one with the world at my feet
Got us a battle, leave it up to me
Find us a trapdoor, find us a plane
Tell the survivors help is on the way
I was a blindfold, never complained
All the survivors singing in the rain
I was the one with the world at my feet
Got us a battle, leave it up to me
What it is and where it stops nobody knows
You gave me a life I never chose
I wanna leave but the world won't let me go
Wanna leave but the world won't let me go

What it is and where it stops nobody knows
You gave me a life I never chose
I wanna leave but the world won't let me go
Wanna leave but the world won't let me go
What it is and where it stops nobody knows
You gave me a life I never chose
I wanna leave but the world won't let me go
Wanna leave but the world won't let me go
What it is and where it stops nobody knows
You gave me a life I never chose
I was the one with the world at my feet
Got us a battle, leave it up to me
Leave it up to me, leave it up to me
