

# You Ain't In It

## Diamond Rio

Sometimes a careless word  
Just rolls right off my tongue  
No matter what I do  
It leaves you all undone.  
Hey baby, no need to go crazy  
Over some little thing I've said  
Can't you see you're the keeper of my heart?  
Even when I lose my head[Chorus]  
We've still got it no matter how bad it gets  
Even after all this time the slipper still fits. Hey, just look at how far we've come  
By choosing to stay;  
Baby, don't go there,  
Love don't get nowhere walkin' away  
Sometimes the whisper of love  
Gets lost in the angry shout  
Even hearts that are in this deep  
Might think about an easy way out  
One honest touch makes those worries  
Just fade like stars at dawn  
These occasional moments of weakness  
Only makes our love more strong[Chorus] It gets easier all the time  
Oh and harder and harder to leave behind[Chorus] Baby, don't go there,  
Love don't get nowhere walkin' away.
