

Let's All Dream

Modern English

Let's all dream of a crazy scene
Where the whole world's smiling and it's painted green
The air is cleaner than you've ever seen
And it's good to be alive Inside your mind is a beautiful place
Let's all dream, let's all dream Let's all dream, that art is king
A sense of humor is the next best thing
Life is larger than everything
And there's poetry within Inside your mind is a beautiful place
Let's all dream, let's all dream
Inside your mind Get back, get back, get back
Get back, back, back
Get back, get back, get back
Get back, get back to being human Get back, get back, get back
Get back, back, back
Get back, get back, get back
Get back, get back to being human Inside your mind is a beautiful place
Let's all dream, let's all dream Get back, get back, get back
Get back, back, back
Get back, get back, get back
Get back, get back to being human Get back, get back, get back
Get back, back, back
Get back, get back, get back
Get back, get back to being human Inside your mind is a beautiful place
Inside your mind is a beautiful place
